#### Academic Regulations Concerning Pass/Fail Grading

##### 302.4 Pass-Fail Grading

A. Undergraduate students may designate up to four semester hours each semester to be taken for a grade of P or F provided they have not been previously enrolled in the course and the course is not a required course in their major program. Grades of D or better will be recorded as P. Advisor approval is required. The periods for selecting and canceling the Pass/Fail option are designated in the Academic Calendar. These additional limitations apply:

1. Students in the College of Liberal Arts & Sciences may not take courses that fulfill major, minor, or General Education requirements on a Pass/Fail basis.
2. Students in the College of Business may elect the Pass/Fail option for unclassified electives only.
3. Students in the Inamori School of Engineering may not use the Pass-Fail grading system for any course presented for graduation credits, except in the following instances: Co-op, off-campus study, and ENGR 160/360 Seminar.

B. Certain courses may be designated by the college/school curriculum committees to be graded only Pass or Fail.
