* Policy on Double-Degrees from the Alfred University Academic Regulations

Students may earn two baccalaureate degrees to be awarded simultaneously (“double degrees”) when the two degree programs are offered within the School of Art and Design (B.S. and B.F.A.) or when the two programs are offered by two distinct AU Colleges/Schools. (e.g.: B.A. in the College of Liberal Arts and Sciences and B.F.A. in the School of Art and Design; B.S. degrees offered in the College of Business and in the Inamori School of Engineering.)

To receive two degrees simultaneously, students must complete all University, College/School, and major requirements in effect for both programs at the time the student was admitted (or last readmitted) to undergraduate study at AU and earn a minimum of 148 semester credit hours. Two diplomas are presented at graduation.
