

REQUEST FOR OVERLOAD REGISTRATION or LATE ADD/DROP

See the Academic Calendar for Add and Drop deadline dates in a specific semester or other term. *On-time* Adds and Drops are accomplished using BannerWeb after consulting your academic advisor. If seeking permission for overload credits or if requesting permission to add or drop after the published deadline due to special circumstances, obtain the needed signatures and then return this completed form to the Student Service Center in Seidlin Hall. If your Dean grants permission to add or drop late, a \$35.00 late fee is assessed.

I am requesting permission for: Overload Credits* Late Add/Drop Both

*An "overload" is defined as taking more than 20 credit hours in a semester. **Please Note:** By far, most overload credits are billed at the current part-time tuition rate for each credit hour over the limit. Some overload credits are exempt from overload tuition. Be certain you know for sure if the overload you are requesting, if approved, will result in additional tuition charges. Your Dean must approve any overload, *whether or not the additional credits are exempt from overload tuition charges.*
